Critical issues

No critical issues

High issues

No high issues

Medium issues

No medium issues

Low issues

| Issue | File | Type | Line | Description |
|-------|------|---------------------------------------------------------------------------|------|-------------------------------------------------------------------------------------------------------------------------------------------------------------|
| #1 | All | Contract doesn't import npm packages from source (like OpenZeppelin etc.) | - | We recommend importing all packages from npm directly without flattening the contract. Functions could be modified or can be susceptible to vulnerabilities |

Informational issues

| Issue | File | Type | Line | Description |
|-------|------|-------------------------------|------|---------------------------------------------------------------------------------------|
| #1 | All | NatSpec documentation missing | - | If you started to comment your code, also comment all other functions, variables etc. |
